Value Added Logistics

1 General

The Value Added Logistics (VAL) pricing applies to CB services for publishers. The services provided by CB, as well as all its affiliated companies, are carried out in accordance with the General Terms and Conditions of Centraal Boekhuis B.V. These General Terms and Conditions have been provided to you and have been filed with the Chamber of Commerce in Tiel, The Netherlands under number 11011108. You can also request these conditions from our Customer Service department or download them at www.cb.nl.

Our pricing is valid from January 1st until December 31st, 2024 and is exclusive of 21% VAT. The services are invoiced at the end of the calendar month.

CB sets the rates for its services annually.

For example when the articles are in a binders packaging and have to be removed from and have to be put back in after the VAL process. These additional activities are usually charged on the basis of handling per hour or quarter-hour. When in doubt about the costs always contact your account group to have your order calculated on beforehand.

Creating, bundling and sealing sets or displays

For assembling, sealing, and bundling sets or displays, CB calculates a fixed hourly rate including material.

3 Extra information

Lead time

The average lead time of an assignment is 5 working days from the moment that all materials are complete. The lead time also depends on the scope of the assignment.

Do you have an urgent job? Please contact customer service to discuss the possibilities.

External materials for an assignment

If you have an order for which other suppliers or you have to supply (part of) the materials yourself, always mention the addressnumber to which the materials relate. You will receive this number from our customer service after placing the order.

Depending on the carrier, always use the following addresses for addressing the shipment:
